## **Summer of Our Lives**

Verse 1

This is the best time, this is the summer of our lives  
These are the memories we make, these are the bond  
we'll never break  
Under the starlight, we stay up talking every night  
We sing so loud we loose our voices, we laugh so hard we  
cry...this is the time of our lives

### Chorus

Shalom Chaverim

These are the songs we'll always sing, we'll never forget  
these memories

Shalom Chaverim

This is the best time, the summer of our lives, the summer of  
our lives na na na na na na

### Verse 2

This is the best time, this is the summer of our lives

So much love and lessons learned, while we watched the  
candles burn

Under the sunlight, so many photographs of friends

Falling in each others arms, wishing camp would never  
end...this is the time of our lives

Go To Chorus

### Verse 3

This is the best time, □ this is the summer of our lives

We will say so long, but never say goodbye

We'll always remember the summer of our lives

## **Meolam**

Me'olam, me'olam, me'olam kivinu lach

Me'olam kivinu lach

Hatov ki lo chalu racha mecha, racha mecha

V'hamracheim ki lo tamu chasdecha, chasdecha

Your love surrounds us,

Your love is never ending

You will always give us hope

In the morning, in the daytime, in the evening

In the middle of the night, give us strength, give us life, life,  
life, life!

## **Tal's Song**

Ya lai lai lai  
When you wake up in the morning  
When you look up with that look in your eyes  
I can hear you tip toe down the hallway  
In a minute I know we will see the sunrise  
Like the morning dew  
The ways I love you  
The way you make me feel inside

For all you are  
For all you do  
For all you love  
This song is for you  
The songs you sing  
The happiness you bring  
For everyone and everything  
This song is for you

When you're climbing  
When you're falling  
I will catch you doing something so right  
We will laugh like there's no tomorrow  
We will always remember this time  
Like the morning dew  
The name I gave you  
The way you make me feel alive

## **Something**

In every breath we breathe  
In every song we sing  
in every space in between  
There's Something

In every truth that's told  
In every hand we hold

In every newborn soul  
There's Something

In every star in the sky  
In every sparkling eye  
In every thankful sigh  
There's Something

In every sun that rises  
In every wave that crashes  
In every love that lasts  
There's Something

Some things speak so silently  
They whisper in the spaces between  
waves and waves of sanctity  
they're crashing endlessly

there's something, something, something  
there's something, something, something

In every creative spark  
In every beat of the heart  
In every change we start  
There's Something

In every sleepless night  
In every morning light  
In every wrong we right  
There's Something

In every friend we make  
In every stand we take  
In every day we wake  
There's Something

In every question why  
In every sweet reply  
In every time we try  
There's Something

In every breath we breathe  
In every word we mean  
in everyone I believe there's  
There's Something

### **Da Lifnei**

Here – here I am  
here I stand – here in front of you I tremble  
we – share these words  
share this time – share this holy space in our lives

when the light shines above and from behind  
Da lifnei, lifnei mi, mi atah omed, mi atah omed  
you – you and me  
we are blessed to have this connection

and this energy flows between us and every generation  
when the light shines above and from behind  
Step by step, I rise up, closer to you I climb  
Face to face, with each word, together we arrive

### **Kehilah Kedoshah**

Yai dai yai dai dai dai  
Time time, time, passes by,  
We live our lives,  
When we love, when we love,  
When we believe,  
We all belong,  
We all become, one, one  
As one we'll rise,

As one we'll dream together  
As one we'll heal  
As one we'll be forever

Kehilah kedosha  
We're holy only when we sing as one  
Kehilah kedosha  
And we will raise our voices strong  
Kehilah Kedosha

Everyone has one's moment,  
And everything has its place  
L'dor vador, we're bound together,  
we change our worlds with each step we take  
As one we'll rise,  
As one we'll dream together  
As one we'll heal  
As one we'll be forever

### **If You're Jewish and You Know It**

Summer nights  
Stars are shining so bright  
I'm hangin with my best friends  
Everything is all right

So we raise it up  
We make some noise  
We say, "ooh ooh ooh"  
We say, "ooh ooh ooh"

If you're Jewish and you know it say, "Hey!"

Shout it out, make it loud  
We're so proud to be here  
Proud to be with my chaverim  
So we raise it up

We make some noise  
We say, "ooh ooh ooh"  
We say, "ooh ooh ooh"
