### **2. Look at Me**

Look, look, look, look, look,  
Look at me, look at me,  
I have a healthy body you can see,  
I'm the proudest kid in the whole wide world  
and I'm so lucky to be me  
My lev beats in my chest, my rosh helps me think  
My tachat helps me sit, my lashon helps me drink  
My tzfatayim help me kiss, my birkayim help me bend  
I've got a betten on my belly that I tickle now and then  
I'm so thankful that I'm,  
I'm so happy to be me, yippie!

### **3. Its Raining**

#### **4. Hageshem the Rain**

Hageshem (the rain!) Hageshem, la la la la la la  
Hageshem (the rain!) Hageshem, la la la la la la

I love to walk in the rain In rubber boots and my raincoat  
Splish splashing away I'll walk right over a rainbow  
I wink and I wave to the plants and trees  
and they all smile right back at me

I love to dance in the rain In rubber boots and my raincoat  
Splish splashing away I'll dance right over a rainbow

I love to sing in the rain In rubber boots and my raincoat  
Splish splashing away I'll sing right over a rainbow

Well money may not grow on trees, but the very best things in life are free  
so I'll stick out my tongue and sing out this song  
and lick up the raindrops one by one

## **5. The Itsy Bitsy Achavesh**

The itsy bitsy ackaveesh went up the mayim spout  
down came the geshem and washed the ackaveesh out  
out came the shemesh and dried up all the geshem  
so the itsy bitsy ackaveesh went up the spout again

The great big ackaveesh went up the mayim spout  
down came the geshem and washed the ackaveesh out  
out came the shemesh and dried up all the geshe  
so the great big ackaveesh went up the spout again

The itsy bitsy ackaveesh went up the spout again

## **6. Look – Up in the Sky!**

Lila tov (lila tov), good night (good night)  
Todah rabah means thanks, b'vakasha means please,  
These are the things we learn to say with ease,  
We find them fun and simple too,

Everybody say,
