7. You Will Love

And you will love
the Lord your G-d
with all your heart
with all your soul
and with all your might
and these words
which I command you on this day will be in your heart
and you will teach them
very gently to your children
and you will speak of them
when you're sitting in your house
and when you're walking by the way and when you're lying down
and when you're rising up
and you will love
and you will bind them
for a sign upon your hand
and they will be for frontlets between your eyes
and you will bind them
on the door post of your house and upon your gates
and you will remember
and do all of my commandments and be holy unto your G-d
and you will love

8. Mi Chamocha

Mi Chamocha ba'elim Adonai
Mi Kamocha ne'edar bakodesh

children crossed the sea, they sang to You with songs of joy,
who is like You, Adonai?

14. Tomorrow Today

Look how far we've come
Look at this community we've built together as one
Every action brings us closer to the future we choose
We have vision, we can imagine tomorrow today
Tomorrow today, where will we be
In the coming years what change will we see
Tomorrow today our dreams can come true
And every single step is up to me and you
When we give, we will be strong, we can believe
Tomorrow today
Our tree of life has its roots here today
The seeds we plant will bloom for generations
Generations to come might have the memories we have
We have vision, we can imagine tomorrow today
